**Thank you for your order!** I hope it provides a positive musical experience for you and your ensemble. By making this purchase, you are agreeing to the following photocopying rules:

- I. Parts. Conductors are allowed to make as many part copies as needed. At the end of each performance cycle, all part copies must be either stored or destroyed. Ensemble members/students cannot keep any parts. If a master copy of a part is lost or damaged, you must use the contact form at [www.tylerjonesmusician.com](http://www.tylerjonesmusician.com) to order a replacement PDF. Cost is \$12 per master.
- II. Scores. Scores may be photocopied for rehearsal marking or to allow multiple conductors to rehearse the work with the same ensemble. Score copies must be stored or destroyed at the end of each performance cycle. Should a conductor desire an extra copy for private study or future use, an additional score must be purchased. **All scores for submissions/evaluations must be original copies.**
- III. Further notes for conductors/ensembles: 1) Purchase entitles the conductor/ensemble to unlimited performances of the work. 2) Conductors may not use a purchased score/set for outside performances (community bands, honor bands, etc.) unless the conductor was the purchaser; otherwise, the outside ensemble/organization must purchase its own score/set.
- IV. Sharing or distributing works with outside ensembles, conductors, or organizations is a violation of copyright law and is therefore **strictly prohibited**. Works are licensed only to the school, ensemble, organization, or conductor making the purchase.

Feel free to use the contact form at [www.tylerjonesmusician.com](http://www.tylerjonesmusician.com) if you have any questions about photocopying or licensing.

**Return policy.** You may return paper music within three (3) business days of receipt for a refund, minus shipping and handling charges. Music purchased from distributors other than [www.tylerjonesmusician.com](http://www.tylerjonesmusician.com) must be returned according to that distributor's policies.
